THE MAN FROM THE FACTORY

REMOTE

In a time where a traditional on-site sales event is impossible, you can still enjoy the results of a highly effective event to significantly boost sales, with **Man From The Factory Remote**.

INTRODUCTION

Using the same success principals that our famous events have delivered for years, Man From The Factory is now 100% remote for you and your customers safety.

Same principals - same results.

MAN FROM THE FACTORY REMOTE brings you the industry's most successful sales event, with **100% remote delivery** via Zoom for you, your team and your customers.

You'll love it and your customers will love it!

- **Remote delivery** for you and your customers.
- Exceptional training and coaching for your team via Zoom.
- We meet every customer face to face on Zoom to help you close deals.
- We stay with you and your team on Zoom and WhatsApp for the whole 5 day event.
- We deliver sales conversion rates that most only dream of.
- We won't exhaust your database and simply bring forward sales you would have closed later!
- **This is not just a marketing campaign, but a real Sales Event with a lasting legacy of skill for your team and your business.**
